

## Donation to Support LPCANC

LPCANC works for you to provide:

- Legislative Action and Advocacy for the LPC Credential
- Professional Development Workshops
- Professional Ties, our quarterly newsletter
- Regional Meetings
- A Statewide Annual Conference
- An Online Member Referral Director

We are proud to provide these benefits to you. But they cost money. Your membership dues help pay for them, but you can donate more to the only professional organization in NC dedicated to working exclusively for LPCs.

Your support and generosity will be used to advance the profession! To make a donation today either complete the donation form below or go to [www.lpcanc.org](http://www.lpcanc.org).
